

No human effort can obtain the salvation of a soul or purchase a soul's redemption from sin and the death penalty (Rom. 6:23).

Jesus Christ is calling the thirsty today. Will you accept or reject His offer of Living Water? Acceptance will guarantee you **the salvation of your soul**, both abundant and eternal life.

For the Lamb which is amid the throne shall feed them and shall lead them unto living fountains of waters: and God shall wipe away all tears from their eyes (Rev. 7:17).

THE FOUNTAIN OF LIVING WATER

Jesus Christ initiated a conversation with a Samaritan woman by a water well. Jesus Christ was thirsty and acknowledged the drinking of natural water as essential for the human body, but He also emphasised the necessity of Living Water for the human soul (John 4:13-14).

Humans are composed of Spirit, Soul and Body.

This includes you (1 Thess. 5:23). Up to 60% of the human adult body is water and every human body requires natural water which can be found on earth in abundance. The fact is that water makes up about 71% of the Earth's surface.

On the other hand, the human soul and spirit need Living Water which is more precious to come by. As a matter of fact, it is the gift of God to those whose souls are thirsty for truth and righteousness (John 7:37).

Jesus is the Fountain of Living Water. Jesus Christ is the source and giver of Living Water. If you desire the gift of God, then you can ask Jesus, and He would give you His Living Water (John 4:10). Any human without Jesus and His Living Water has an empty, dry and spiritually lifeless soul.

Drinking from the Fountain of Living Water is a choice. Everyone is invited to drink from the Fountain of Living Water and whosoever chooses to accept the offer will thirst no more. This Fountain of Living Water is available by choice to all humanity because of God's abundant love and grace (John 3:16). People who refuse this choice will have to dig other cisterns that are certified lifeless sources (Jer. 2:13).

The Living Water gives unprecedented refreshment and satisfaction. Whosoever drinks from Jesus' Fountain of Living Water will never experience thirst or emptiness again (John 7:38). This contrasts with natural water which temporarily quenches thirst. You can call on Jesus for Living Water and He will restore your soul with salvation (Psalm 23:3).

The Living Water continues throughout eternal life. What are you waiting for then? Accept and embrace Jesus Christ, the source and giver of Living Water to enjoy abundant life and be rewarded with eternal life (John 10:10).
