

expensive and desirable of them.

It is evident: God's gift is evidenced by men, angels and His Holy Spirit (John 3:16). There are great joyous experiences for those delivered and saved by God. Blessed is he whose transgressions are forgiven, whose sins are covered. Blessed is the man whose sin the LORD does not count against him, in whose spirit there is no deceit (Psalm 32:1).

Accept God's gift of His Son Jesus Christ today and your life will be transformed. God's gift will endow you with the power of sonship and God's angels will rejoice in His presence with you.

God's

Gift of His Own Son

In the beginning God, created the heavens and the earth. God made man in His image and likeness. His creation was very good.

The first man Adam's sin brought a curse and death to all humanity. Then God who is rich in mercies and compassion, in His time and in accordance with His word gave Jesus Christ His Son to fulfil His promise of salvation and life to all humanity (John 3:16).

Christians and acquaintances sing carols, praise and worship songs to joyfully give thanks to God for His great deliverance and other wonderful things that He has done. We hope you would appreciate these five things about God's gift of His own Son.

It is extensive: God's gift is to the entire world (John 3:16). Africans, Asians, Caribbean, Europeans, North/South Americans and Oceanians can benefit. Men, women, old, young, free, bond, rich and poor, everyone can receive Him, God intends to save everyone. Unfortunately, most people say 'No' and refuse to accept God's gift for their salvation and renewal.

It is expensive: God's gift is His Own Son, Jesus (John 3:16). Although expensive, God's gift is freely given. He is invaluable, incomparable, unparallel, perfect, faultless, matchless and has no alternative. Man's soul is priceless, God's Son is most precious. Mockers can't mock God's gift, ingrates can't belittle Him, and complainers wouldn't find any reproach in Him.

It is expressive: God's gift expresses His love for humanity (John 3:16). God's love compelled Jesus Christ to bear our sorrows, punishments, sufferings, sins, diseases and death. All men are like the prodigal son who was provided and cared for yet had grievances against his father. God, yet loves and bids all sinful men to come unto Him.

It is eternal: God's gift grants the receivers thereof abundant and everlasting life (John 3:16). Receivers become heirs together of the grace of life. God's gift cannot be compared with worldly gifts that will devalue, fade and expire. Houses built or bought will dilapidate with time and textiles will fade, wear and tear. Money loses value over periods. All the gifts of this world are perishables, even the very best, most
