

scorners because the power of the Lord is present to heal (Luke 5: 17).

Jesus Christ is the same yesterday and today and forever (Heb. 13:8). Jesus is Lord, He does not change.

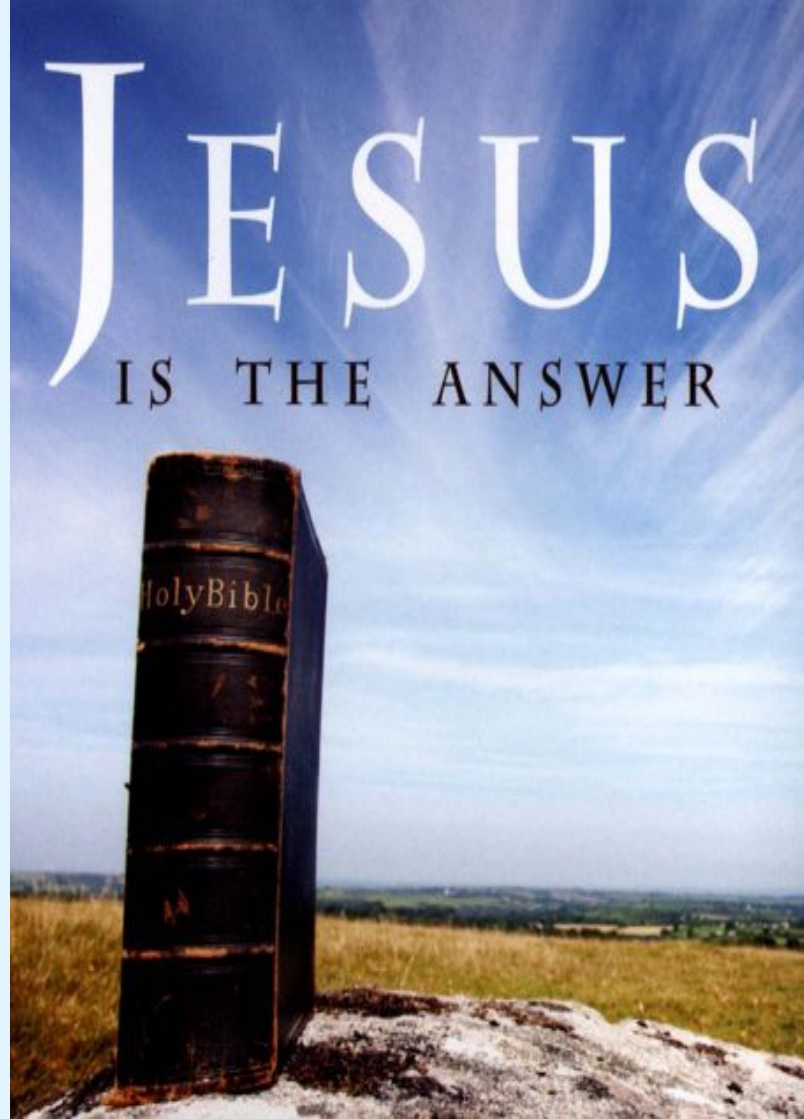

Jesus heals the sick, feeds the hungry, sets captives free, delivers the oppressed, gives abundant and eternal life to true seekers.

Jesus is the answer to all problems, He astonishes with what he does, every time. You can emulate Jairus' important actions.

Jesus Christ had a unique earthly ministry. He was a miracle worker. He was the only answer to the problems of many. Jesus preached salvation to the poor; He healed the broken-hearted, He proclaimed freedom to captives and prisoners (Luke 4:18).

Jairus' problem was a dying daughter (Luke 8:41-56). Jairus took important actions that ensured an answer to his problem.

Action 1. Jairus recognised that he had a problem and acknowledged that Jesus Christ is the only answer to his problem. Jairus then went to Jesus publicly, he knelt and bowed down in humility and asked for His help. **Humble yourself before the Lord and He will lift you up** (James 4:10).

Action 2. In between Jairus' request and its resolution, Jesus Christ timely ministered to the needs of a woman with the issue of blood. Jairus was patient with Master Jesus, his Lord and Saviour as He attended to another person's urgent need. (Luke 8:43-48). **Be patient with Master Jesus and you**

will receive your answer (Heb. 10:36).

Action 3. Jairus' situation became worse when he received sad news from his own house that his only daughter had died. Nonetheless, he was encouraged by Jesus Christ to believe (Luke 8:49-50). **Just believe, all things are possible to him who believes** (Mark 9:23).

Action 4. Jairus did not question the rationale behind Christ Jesus' instruction, he just promptly obeyed. You will not miss God's blessings and promises when you are obedient and follow Christ's instructions (Luke 8:51-52). **Just obey, do exactly as Jesus Christ commands** (Luke 6:46).

Action 5. Jesus ignored His scorers and Jairus also ignored those who mocked his daughter's death to receive an exponential miracle. Mockers and scorers have little or nothing to contribute to your life. Jairus believed Jesus and achieved what the mockers and scorers could not fathom.

Jairus received his daughter back alive, through faith (Luke 8:53-55). **Ignore your mockers and**
